About us

We are Vic and Vickie Bennett, entrepreneurs, farmers, lovers of Jesus, married best friends, and owners of Lavender Life Company.

We have been married for over 37 years, have 4 amazing married daughters, and 8 grand babes! We have created and run spa businesses in NYC and DC being driven by our values – Learning/Imagination/Friendship and Excellence (LIFE). Encouraging a slower-paced LIFE curve, our focus lately, has been on thousands of little lavender plants that we planted on our family farm in west Michigan, and engaging friends in beautiful, multi-sensory experiences. We are blessed, to be a blessing!

With grateful hearts we gravitate toward rescuing at-risk kids, who need to be reminded that **“they are loved and not alone”**, and our mission statement reflects this – **“To be an engine to support kids at risk worldwide.”** For each and every Xander Friend you purchase, we donate one to a child in foster care.

Lavender Life Company started out of with these experiences in mind – to offer products that “hug” and remind us all how much we are loved.

Together, we strive to:

- Promote nurturing environments.
- Lead in the joy of discovery.
- Introduce a simpler- softer lifestyle.
- Make new friends along the way.

With that said, of course we offer a complete satisfaction guarantee on all of our products. We can't wait to hear from you as you too, are hugged.

Sincerely,

Vic and Vickie Bennett

“Best bubble-bath ever! It suds up beautifully, smells delicious, and feels luxurious on the skin. Drea a bath for myself and, of course, my three-year-old daughter just had to jump in with me. We spent an hour together playing in the tub and the bubbles just kept on billowing.”

Perfect

I received my bunny just within a couple of days. I am pregnant and have been having a hard time sleeping. The lavender in the bunny is so calming and not overpowering. I didn't expect it to act as such a pillow either! It's so soft and cuddly. My favorite part of all of this is it came from Michigan and I am a Michigan resident. 10/10 recommend. Will be purchasing more for gifts!

Loved giving Xander cat a dress!
